	end cap PCV			1430
	end cap PCV with hole			1448

Applications:

- for flexible or hard LED strips (MICRO - K profile only for flexible LED strips) up to 10.8 mm wide
- Indoor: grooves (profile can fit slim design and thin furniture pieces, wall surfaces, drywalls)
- outdoor (IP 65 waterproof level can be achieved)

Product Description:

Mounting :	double sided mounting tape or mounting glue (accessories)
Ending Element :	plastic end cap (accessories)
Certificate / Patent :	CE, Patent rights

Advantages:

small dimensions (profile is just 6mm (0.2") high), profile can fit slim design and thin furniture pieces, special collar of the profile enables unaesthetic grooves to be covered,
* (groove – a specially prepared narrow space in the wall surface, drywall, stone block etc.) easy assembly,
lightweight, easily release heat, environment friendly

* We reserve the right to change and modify our products.
